Thou hast in sor - row and pri - va - tion
To be His own, His cho - sen na - tion.
O LORD, re - veal Thy light and splen - dor

Be - stowed re - lief and con - so - la - tion.
He there - fore hears my sup - pli - ca - tion;
And show Thy - self the strong De - fen - der

Be gra - cious now and hear my plea.
He takes my mi - se - ry to heart.
Of all who put their trust in Thee!

O man, how long will you con - tin - ue
 Be an - gry, but re - frain from e - vil;
 More joy hast Thou to me im - part - ed

To turn my hon - or in - to shame?
 Com - mune with - in your heart, be still.
 Than oth - ers have whose goods in - crease,

How long yet will you seek and fol - low
 At all times bring right sac - ri - fi - ces.
 Who in their grain and wine take plea - sure.

All things de - ceit - ful, vain and hol - low?
 Re - ly not on your own de - vi - ces:
 Thee do I as my re - fuge trea - sure:

How long will you re - vile my Name?
 Trust in the LORD and heed His will.
 I will lie down and sleep in peace.
